13. **H.Con.Res. 74** - Expressing the sense of the Congress regarding the need for additional research into the chronic neurological condition hydrocephalus, and for other purposes (*Rep. Mike Thompson – Energy and Commerce*)

Quote of the Day

“If we accept and acquiesce in the face of discrimination, we accept the responsibility ourselves and allow those responsible to salve their conscience by believing that they have our acceptance and concurrence. We should, therefore, protest openly everything . . . that smacks of discrimination or slander.”—Mary McLeod Bethune (1875-1955)
